RESIDENTIAL REVIEW

NEW BLINDS

We have new blinds in Darley Lodge, giving the lounge a refreshing modern look. Thank you to Eco Blinds for the installation.

CHRISTMAS IS COMING

Braving the cold, the residents went to see the college lights switched on.

Gavin, our senior lead, is planning our residential Christmas dinner for the 17th.

And our decorations will be up very soon.

BEDROOM COLOUR

The residents have the option to choose a colour for their bedrooms, painted by residential staff.

Welcome to our new student, Lucy, who has chosen pink for her bedroom.

INDEPENDENCE

As part of the residential life, students learn independence skills and help out with household chores. Some like this more than others.

Nana

Congratulations Teresa on becoming a Nana.

Recognition of our bank staff

Janene has worked for us as a bank staff member for almost 12 years! She works full time in an alternative education provision and brings a plethora of skills with her. She's a keen runner and runs the Doncaster 10K for us.
